OCTOBER 2025

**Then Jesus declared,
"I am the bread of life. Whoever comes to
me will never go hungry, and whoever
believes in me will never be thirsty"
John 6:35**

"Nina, please pray for my friend Juan Camilo", Esteban begged me, explaining that Juan Camilo is involved in a gang and that his father was killed by members of the ELN guerrillas, who dominate the area. Juan Camilo has been reached by the gospel, but at the same time he feels that the gang is his family.

My heart broke in a deep prayer for Juan Camilo.... I thought: How many "Juan Camilos" are in need of a leader like Esteban, who grieve for those who have been victims of violence and who long for the love of the Heavenly Father and to be satisfied by Jesus, the Bread of Life?

We long for you to join us and pray for each of these young leaders who are passionate with Jesus and who are sharing the only thing they have: the Gospel.

Ministry

A mentoring training for Youth Leaders

We had the opportunity to travel to La Paz, small city of Cesar (Department of Colombia) to train approximately 100 young leaders. They are youth ministry leaders of different churches for the Bible and Missionary Churches of Colombia. They are from very vulnerable and rural areas, with limited resources, but with a great passion to reach the young people of their own neighborhoods for Christ.

A Thank you note:

Thank you so much for your prayers, your friendship, and your faithful support!

CCI Colombia National Conference

We celebrate our 6th national Conference with the attendance of 51 church leaders. The conference topic was "Walking with integrity": in the use of authority, being trustworthy, honoring others, and being authentic and consistent with the Word of God.

It was also encouraging to see the team we have formed over almost eight years, developing the entire conference and taking charge of every activity in the program. It was a gift from God, Hallelujah!

As this two youth leaders, most of them are farmers. They not only grow beans and plantain, they also plant and grow the Word of God in young hearts.

"... Allow Jesus to satisfy all your needs, let Him be the one who fulfills the longings and desires of your heart..." were some of the words Robert said when inviting the group of young leaders from the regions of La Guajira, Cesar, Atlántico and Bolívar. They responded with a humble heart, praying that God would help them surrender everything that keeps them from the good plans God has for them.

Testimonies

"Receiving the training centered on God's Word touched us deep in our hearts" "I was very moved when Robert dramatized being Jesus... I seemed to hear His Voice telling me that He is my bread of life, who forgives me and fills me."

"Thank you for coming here and teaching young people the importance of modeling a servant leadership, as was Jesus"
